The Complete Experience

For dining of any kind, our menus have been specially designed to enable you to create a menu to your specific requirements. Our lavish three course meals offer a wide selection of individually priced dishes to ensure that your menu can be tailor made to your preferences and budget.

For less formal events, our buffet menus offer a relaxed and flexible approach to catering. Our Chef has designed a number of balanced menus for you to choose from, although our creative food service enables you to add or substitute items as you choose (prices may increase accordingly). At the **The Bradford Hotel** we are really flexible with the menus we offer. If your event is themed, or if you have any suggestions of your own, then we will be happy to speak with our Chef to see if we can accommodate or tailor the menu to meet your requirements.
